

IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF NEW MEXICO

GZ,

Plaintiff,

vs.

Civ. No. 96-1373 MV/WWD

MARY HAGALOFF, et al.,

Defendants.

MEMORANDUM OPINION AND ORDER

This matter came before the Court for a Rule 16 scheduling conference on December 15, 1997. After conferring with counsel, it became obvious that it would be premature to enter a complete scheduling order since there are numerous outstanding questions involving a variety of matters which make entry of a broad order at this time impractical.

WHEREFORE,

IT IS ORDERED that discovery on the question of whether Defendant Willie Hobbs was acting under color of state law shall be permitted at this time.

IT IS FURTHER ORDERED that discovery in connection with other aspects of this case shall be deferred until further order of this Court.

FINALLY, IT IS ORDERED that Counsel shall attend a second scheduling conference before the undersigned on THURSDAY, MARCH 19, 1998, AT 11:00 A.M.
